WHO WE ARE

Owned and operated by Jack Brimhall (the prime rib king), Red Flame Restaurant was a great success. Red Flame Catering grew as a natural division of the restaurant as more and more clients requested a mobile version of our foodservice.

Red Flame Catering is a full service catering company that prides itself in providing high quality and quantity of food for a reasonable price. We provide an extensive salad bar with all of our packages in addition to the hot portion of the meal. All of our salads are prepared by hand each day by members of our staff which helps to ensure all of our salads are fresh and of the highest quality.

We consider all of our menu packages to be a 2 plate meal with the guests preparing their own salad plate while staff of Red Flame Catering prepares each guests main entrée. Because of our use of the salad bar, all of our catering packages are served buffet style. In an effort to keep our catering prices as low as possible, all of our catering packages are served on high quality disposable plates and silverware.

All you need are the tables and chairs, and we take care of the rest. We require a minimum of 30 people for each catering party. Additional charges may apply to events outside of Salt Lake and Davis counties. All of the following prices are listed per person and are subject to 7.6% sales tax and 15% gratuity. Payment is due "**in full**" upon the completion of your event.

PRICES EFFECTIVE JANUARY 1, 2013.
